**INQUIRY INTO IMPACT OF THE WESTCONNEX
PROJECT**

Name: Name suppressed

Westconnex will dump hundreds of thousands of cars into complex inner west streets not designed to be the runoff from a motorway. Westconnex will destroy the ambiance of Sydney Park which is a vital and much loved peaceful green space in the inner west. Westconnex clearly will not do the job it was purported to do, and has cost far more than it ought to. Its disrupted lives in a major way - literally ruined people's lives through inadequate noise control and inadequate compensation.
