INQUIRY INTO IMPACT OF THE WESTCONNEX PROJECT

Organisation: South Paddington Residents Association

Date Received: 30 August 2018

We the residents of South Paddington do not agree with West Connect as it funnels thousands of cars into residential neighbourhoods causes noise and pollution

We are particularly concerned about the impact on Alexandria and the massive flyover at Azaac Pde and Dacy is disgusting and will greatly affect the amenity of residents. Public transport is the solution not more and bigger roads
