**INQUIRY INTO WATER NSW AMENDMENT
(WARRAGAMBA DAM) BILL 2018**

Name: Mrs Yvonne Fessler

Date Received: 2 October 2018

I definitely feel that raising the dam wall does not resolve Issues in the Hawkesbury but certainly has an irreversible and significant impact on Heritage Listed Blue Mountains National Park. What a travesty to destroy such a beautiful Park and ruin it forever. Please do the right thing and leave this wonderful area as it is. Thank you.
