**INQUIRY INTO WATER NSW AMENDMENT
(WARRAGAMBA DAM) BILL 2018**

Name: Mr Wayne Olling

Date Received: 3 October 2018

I wish to add my comments to those objecting to the raising of the wall of Warragamba Dam.

The adverse impacts on the World Heritage Listed Blue Mountains National Park will be an international embarrassment in addition to the reduction of habitat for BC Act and EPBC Act listed flora and fauna species.

All that to allow developers to infringe on flood plains in the Hawkesbury Nepean Valley is appalling. Even so, there will still be food events which raising the dam wall will not prevent.

Don't let it happen..
