

**Submission  
No 106**

**INQUIRY INTO WATER NSW AMENDMENT  
(WARRAGAMBA DAM) BILL 2018**

**Name:** Mr Rodney Edwards

**Date Received:** 3 October 2018

---

This is in support of increasing Warragamba dams height and perhaps supplying additional water westward thereby lessening the impact of increased storage. While supplying a small opportunity for new water to be supplied to Bathurst and beyond.
