**INQUIRY INTO WATER NSW AMENDMENT
(WARRAGAMBA DAM) BILL 2018**

Name: Mrs Ilmiye Uluc

Date Received: 3 October 2018

The Blue Mountains is World Heritage listed and is one of the most highly protected lands not only in Australia but the world. It is home to many threatened species of animals and trees like the honeyeater and White gum and What gives people the right to override these important Australian legal stances simply for some greedy developers who wish to build there. Corporate greed. Australian politics has become the laughing stock and ridicule of the world. Can you see why?
