can you please ask the Committee to look into when the RMS will reimburse legal and associated costs for the L&E Court - have been waiting a year, and a neighbour has been waiting over a year and half ... also consider imposing a time limit to repay ALL legal costs - say 28 days - currently, we lose 20% of legal costs, which is very unfair, why should we be out of pocket because of their nasty actions - we were forced into this situation, the RMS should pay ALL expenses - liars and thieves...
