

**INQUIRY INTO USE OF BATTERY CAGES FOR HENS IN  
THE EGG PRODUCTION INDUSTRY**

I would like the Legislative Council to pass a law to make the keeping of hens in small cages, commonly called "Battery Hens", illegal.

Free Range hens are the only cruelty-free option.

I would also like the Law to state that only Free-Range eggs can be sold, commercially, and that all packages be clearly labelled as "Free-Range Eggs", with an explanation of what that means.
