

**Submission  
No 23**

**INQUIRY INTO USE OF BATTERY CAGES FOR HENS IN  
THE EGG PRODUCTION INDUSTRY**

**Name:** Mr Ro Laxman

**Date Received:** 26 June 2019

---

Millions of hens are permanently confined in cages where they have about the same amount of room as an iPad.

It doesn't make sense to torture animals in a bid to consume a food which is bad for our health. There are links and videos proving this which are not persuaded by money making industries:
