

**INQUIRY INTO USE OF BATTERY CAGES FOR HENS IN  
THE EGG PRODUCTION INDUSTRY**

**Name:** Name suppressed

**Date Received:** 26 June 2019

---

Partially  
Confidential

End animal exploitation. End cage eggs.

Eggs are proven to be unhealthy and unfit for human consumption.

Every stage of the industry is cruel and an abomination of nature.

It's time to phase out the outdated farming practices and assist in transitioning these industries to more profitable and sustainable industries.
