

**INQUIRY INTO USE OF BATTERY CAGES FOR HENS IN
THE EGG PRODUCTION INDUSTRY**

Name: Name suppressed

Date Received: 26 June 2019

Partially
Confidential

Please end the battery caged egg system in NSW. The least we can do as sentient human beings is respect these great creatures who feed us so well by giving them happy lives for the period of time in which they live. When we respect animals we respect nature and in the end result we respect ourselves. This industry must change not just for hens but for us as humans.
