

**INQUIRY INTO USE OF BATTERY CAGES FOR HENS IN
THE EGG PRODUCTION INDUSTRY**

I would like to speak in support of the urgent banning of battery hen cages. Chickens who have short lives due to being killed and eaten deserve to have the best lives that they can be provided by humans. Birds are inhumanly kept in tiny cages, for egg laying. This is torture. Egg quality is also much poorer than in birds who can free range. It is time for our society to have a conscience and do the right thing. Animal cruelty is not ok.

Thank You,
