**INQUIRY INTO USE OF BATTERY CAGES FOR HENS IN
THE EGG PRODUCTION INDUSTRY**

Name: Name suppressed

Date Received: 26 June 2019

Partially
Confidential

To whom it may concern,

Battery cages are inherently cruel and inhumane . They have been or are being phased out in most western democracies. Hens cannot Display any of their natural behaviours: sun or dust bathing, stretching their wings, foraging, etc. I urge you to ban battery cages for hens as soon as possible.

Kind regards
