**INQUIRY INTO USE OF BATTERY CAGES FOR HENS IN  
THE EGG PRODUCTION INDUSTRY**

Dear Madam, dear Sir,

It disturbs me deeply to see that cage eggs are still available. It baffles me that cruelty to animals is still condoned by various industries. I eat organic eggs not only for the far better taste and quality, but also as a political/social gesture. It is time to be nicer to chickens, and I request that the lowest egg quality be free range in future.

Thank you,
