**INQUIRY INTO USE OF BATTERY CAGES FOR HENS IN
THE EGG PRODUCTION INDUSTRY**

Name: Mrs Darlene Watkins

Date Received: 26 June 2019

I wish to submit a request for the end to battery cages for all chickens. The confinement of these beautiful animals is not acceptable. I request the end to this type of farming, no animal should ever be caged. Without the space to walk around stretch out their wings or peck and graze freely is not an acceptable way to care for chickens. More respect for their wellbeing and health needs to be taken into consideration.
