**INQUIRY INTO USE OF BATTERY CAGES FOR HENS IN
THE EGG PRODUCTION INDUSTRY**

Name: Name suppressed

Date Received: 5 July 2019

Please ban the Battery Hen system. This system is cruel and inhumane causing extreme stress to the hens. This is absolute abuse of a sentient being and there are better egg farming practices available. Many countries have already banned the type of farming that places hens in such a cruel situation and I plead with you to join them in stopping this barbaric farming method.
