**INQUIRY INTO USE OF BATTERY CAGES FOR HENS IN
THE EGG PRODUCTION INDUSTRY**

Name: Name suppressed

Date Received: 1 July 2019

Partially
Confidential

Industrial farming using battery cages for hens is appalling, it needs to end it is cruel and inhumane And unnecessary in this day and age. Large-scale farming should not necessitate the suffering and cruelty that is imposed upon hens or any animal. There are better ways that are just as cost-effective.
