**INQUIRY INTO USE OF BATTERY CAGES FOR HENS IN
THE EGG PRODUCTION INDUSTRY**

Name: Mr Jonathan Ersser

Date Received: 27 June 2019

Please represent a strong and human Australia, beyond desperate or glutton-like and cruel exploitation of innocent sentient life forms. Please choose to create a lovely way of living we can be proud of rather than hellholes. What we choose to create also represents us, creates our environment and effects who we are in turn. Please choose to represent care, compassion, pride & positive creative foresight. For life. Cheers
