**INQUIRY INTO LIQUOR AMENDMENT (MUSIC
FESTIVALS) REGULATION 2019 AND GAMING AND
LIQUOR ADMINISTRATION AMENDMENT (MUSIC
FESTIVALS) REGULATION 2019**

Name: Mr James O'Connor

Date Received: 5 July 2019

I love to go to music festivals. They are an important part of my life, and I'm concerned the NSW music festival laws weren't properly designed or consulted on by the NSW government. I'm worried the laws will cause festival cancellations and destroy culture and business in NSW, even though they don't make people safer. I ask the NSW Legislative Council to disallow the laws that were passed earlier this year.

I also attend festivals overseas and the freedom afforded over there makes a mockery of how we are treated here. Treat us like adults and we'll behave as such.
