**INQUIRY INTO USE OF BATTERY CAGES FOR HENS IN  
THE EGG PRODUCTION INDUSTRY**

**Name:** Name suppressed

**Date Received:** 28 June 2019

Enough time has passed for the egg producers in Australia to adapt to customer preferences for free range eggs. Buyers must be listened to. Everybody is sick of seeing factory production of food from living animals. Our backyard chooks have always been free to wander where they want, & we have been confident that their eggs were healthy enough to eat. Please use your parliamentary powers to give the egg buying public what they demand.

Thanks
