**INQUIRY INTO USE OF BATTERY CAGES FOR HENS IN
THE EGG PRODUCTION INDUSTRY**

Name: Name suppressed

Date Received: 2 July 2019

I respectfully request that you consider instigating the end of caged chicken farmers for both egg production and breeding purposes. It is a cruel and profit driven way of causes distress and harm to many, many individual birds.

I do not support the caged eggs industry and I strongly encourage others in my day to day life to also not purchased caged eggs by growing and giving away my own eggs from happy, loved chickens from my back yard.

Thank you for considering my request.
