**INQUIRY INTO USE OF BATTERY CAGES FOR HENS IN  
THE EGG PRODUCTION INDUSTRY**

To Whom It May Concern:

I believe that battery caged hens is an abomination! How we are considered a first class nation and can allow such cruelty is beyond my belief. There has been enough talk about phasing this cruelty out. It is time that it ended!!! The farmers have had way long enough time to phase it out into a less cruel method of farming. It's time the government ruled it out once and for all!

Sincerely  
Jennifer Kinsela
