**INQUIRY INTO USE OF BATTERY CAGES FOR HENS IN
THE EGG PRODUCTION INDUSTRY**

Dear Sir/Madam,

For years and years this unacceptable situation continues. It is time to ban the use of battery hens, as it is cruel and totally unacceptable. It is time to treat animals with respect and consider treating them more humanely in the way that they were born to live - not to spend their lives confined to a cage! I am sure that you would agree that this practice is barbaric and inhumane.

Yours faithfully,
