THE NORTHERN BEACHES HOSPITAL**

I submit that the Mona Vale Hospital is an essential asset to the people of the Northern Beaches. Lives and wellbeing are at stake due to the closure of this essential asset. The economic and Communal impact to this thoughtless and inconsiderate action by a heartless Government with no concept of Community is beyond belief. This action proves that loyalty will only be repaid with heartlessness. It is heart breaking to hear people in this electorate say " They will do what they want because they are sure of this Blue Ribbon Seat"

To close our public hospital in favour of a hospital that is focused on profit, will not treat young children and is selective in the patients it takes regardless of the life imperative is immoral beyond belief

It is disgusting and from an historical Liberal voter, I will never vote Liberal again because no party could possibly treat a Community with such arrogant, thoughtless disregard as we have been treated
