

**INQUIRY INTO OPERATION AND MANAGEMENT OF
THE NORTHERN BEACHES HOSPITAL**

Name: Mrs Allison Bosley

Date Received: 5 July 2019

Dear Sir or Madam,

As you would understand our main concern in Avalon Beach is proximity to the North end Beaches Hospital. We are just too far away for tick bites, serious accidents, maternity, paediatric and heart attack emergency situations. Our Mona Vale Hospital was wonderful for us. We feel uncared for by our government out here now and the elderly, disabled and parents of young children are all now particularly disadvantaged. We need to have the Acute Services brought back to Mona Vale and an inquiry held into it's closing please.

Sincerely

Allison Bosley
