**INQUIRY INTO USE OF BATTERY CAGES FOR HENS IN
THE EGG PRODUCTION INDUSTRY**

Hi, I am emailing to ask for the end of battery cages for hens.

Would you like to be kept in the same studio apartment for the rest of your life without going outside? It's the same as keeping hens in a cage. I am sure in the 21st century with all our technological advancements, we can do better than this.

Thanks very much.
Best regards,
