**INQUIRY INTO USE OF BATTERY CAGES FOR HENS IN  
THE EGG PRODUCTION INDUSTRY**

Dear Sir/Madam.

I am writing in support of hens and the use of cage free range eggs and understand you are part of a committee investigating this issue in Australia.

I Believe that currently many hens suffer this practice of restricted living for financial reasons and believe the hen must come first and this cruelty should be stopped.

Please do try to cease this practice and stop the cruelty involved.

Thank you for your time.

Kathryn Moore
