**INQUIRY INTO USE OF BATTERY CAGES FOR HENS IN
THE EGG PRODUCTION INDUSTRY**

Name: Ms Sigrid Engel Robson

Date Received: 5 July 2019

Dear Sir/Madam

I am strongly opposed to the use of cages for hens in egg production and I urge you to outlaw these cages in NSW once and for all. The use of cages is inherently cruel and our animals deserve better. Several other countries have outlawed these cruel practice a long time ago and so should we. I am sure the Australian public would prefer more ethically produced eggs if they could have their say.

Yours sincerely,

Sigrid Engel Robson
