**INQUIRY INTO USE OF BATTERY CAGES FOR HENS IN
THE EGG PRODUCTION INDUSTRY**

Name: Ms Trudi Ellen

Date Received: 5 July 2019

Good afternoon,

I would like to put my vote forward to ban battery hen cages.

The egg production in a real “free range” farm (not the ones in big sheds either) have far more nutritional value and the hens live a far more natural life. Battery hen cages are disgusting and cruel. Chickens have personalities and are unique. I care about how we treat our animals and I will vote accordingly.

Many thanks for reading my email.

Yours sincerely,

Trudi Ellen
