**INQUIRY INTO USE OF BATTERY CAGES FOR HENS IN
THE EGG PRODUCTION INDUSTRY**

Name: Ms Teresa Kiernan

Date Received: 26 June 2019

Dear Madam

I oppose the current lack of rules and their enforcement in relation to the treatment of chickens.

Chickens ought be free to roam and socialise and engage in natural behaviour.

Mandatory cameras with punishment for persons who interfere with cameras should be required for all farms and knackeries so inspectors can better police cruel and negligent farming practices.
