(COMPENSATION FOR CANCELLATION OF  
EXPLORATION LICENCE) BILL 2019**

---

We purchased 135,000 shares which cost \$30,000.00 and sold these on the 4th May 2016 for a total of \$226.00.

At the time of purchase for our superannuation fund we were unaware there was any corruption occurring, so hence we are just a innocent party in all this.

Look forward to a financial return to compensate for our loss.
