**INQUIRY INTO USE OF BATTERY CAGES FOR HENS IN
THE EGG PRODUCTION INDUSTRY**

Name: Mr Bryan Buchanan

Date Received: 5 July 2019

Dear Committee members,

Thank you for the opportunity to provide my views on the use of battery cages in NSW.

There is no good reason, apart from the greed of producers, not to ban battery cages.

In previous times, bear bating and other disgusting treatment of animals has been banned, now in the 21st century it is time farm animals welfare was given due consideration.

Kind regards,
Bryan Buchanan
