**INQUIRY INTO USE OF BATTERY CAGES FOR HENS IN  
THE EGG PRODUCTION INDUSTRY**

Dear Committee members,

Thank you for the opportunity to provide my views on the use of battery cages in NSW.

I believe that if we are going to kill and eat animals, then we need to provide them with the best life and a gentle caring death.

Cages are not acceptable for Chickens. They are a brutal act.

If you wont help the hens then please help me and my mental health. Cruelty to all creatures damages humans.

Thank you for considering my submission. I look forward to seeing decisive action from the NSW Government on this issue.

Jane Foy
