**INQUIRY INTO USE OF BATTERY CAGES FOR HENS IN
THE EGG PRODUCTION INDUSTRY**

Name: Ms Wendy Parsons

Date Received: 5 July 2019

Dear Committee members,

Thank you for the opportunity to provide my views on the use of battery cages in NSW, however it should not be necessary to make a submission after the public has made it crystal clear for many decades that these shockingly cruel cages should be phased out.

Imagine the family Labrador living (and dying) in such confinement. One does not have to be an animal lover to know this is wrong.

Kind regards,
Wendy Parsons
