**INQUIRY INTO USE OF BATTERY CAGES FOR HENS IN
THE EGG PRODUCTION INDUSTRY**

Name: Ms Angie Grigg

Date Received: 5 July 2019

Dear Committee members,

Thank you for the opportunity to provide my views on the use of battery cages in NSW.

Animal welfare is very important to me.

Please shut down the cruel and barbaric practice of confining those poor hens to those cages. It is disgusting.

I want to see the NSW Government act on the scientific evidence and the community's expectations on animal welfare, and commence a phase out without delay

Thank you for considering my submission. I look forward to seeing decisive action from the NSW Government on this issue.

Kind regards,
Angie Grigg
