**INQUIRY INTO USE OF BATTERY CAGES FOR HENS IN
THE EGG PRODUCTION INDUSTRY**

Name: Ms Suzanne Jeremy

Date Received: 17 July 2019

Dear Committee

My objection to battery cages is simple: There should not be a major discrepancy between animal cruelty legislation for domestic pets farm animals.

It makes no sense in modern Australia that inflicting undue suffering on a pet carries a jail sentence, while doing so to a farm animal is endorsed by government.

Please end battery farming as soon as possible.

Even animals valued only for their eggs or meat deserve a cruelty free life.

Thank you

Suzanne Jeremy
