**INQUIRY INTO KOALA POPULATIONS AND HABITAT IN  
NEW SOUTH WALES**

**Name:** Ms Maria Arranz

**Date Received:** 13 July 2019

---

I will not repeat what will be said by many organisations and individuals about the plight of the koala in NSW. They will be eloquently able to provide facts and figures to show the shameful situation.

I'd just like to submit with some arrogance, on behalf of NSW citizens who may not know about this Enquiry or who may be too humble, or too intimidated to write a 'submission', that everyone knows koalas are on the verge of extinction.

HOW CAN WE, IN ALL CONSCIENCE, ALLOW THIS TO HAPPEN?

STOP SELLING AND SLAUGHTERING WHAT WE MOST VALUE ABOUT THIS LAND FOR FILTHY LUCRE.

Thank you for the opportunity to make my submission.
