

**INQUIRY INTO OPERATION AND MANAGEMENT OF
THE NORTHERN BEACHES HOSPITAL**

Name: Ms Rana Ouwelant

Date Received: 22 July 2019

I avoid the hospital at all cost because it is just so confusing to get to from where I am located and I am just down the road. My son had breathing difficulties one night, with chest pains and I felt we would get a faster response by driving to Mona Vale than driving to Northern Beaches Hospital. The signage is just so confusing on Warringah Road..I just would get confused...bad design
