**INQUIRY INTO USE OF BATTERY CAGES FOR HENS IN
THE EGG PRODUCTION INDUSTRY**

Name: Name suppressed

Date Received: 25 July 2019

Partially
Confidential

I have visited a climate-controlled cage system and I was so impressed with how cool and clean they are. The chickens are being kept in a very good condition. I also like to buy affordable eggs and feel that the industry would not keep up with society's demands for this product without caged eggs.
