**INQUIRY INTO USE OF BATTERY CAGES FOR HENS IN  
THE EGG PRODUCTION INDUSTRY**

To whom it may concern,

I am writing to you as a concerned member of the public who cares about the conditions animals used in the food industry have to live in.

I believe the battery cage should be phased out and completely come to an end.

No animal should be forced to live in cramped conditions and we as human beings have a responsibility to allow for a kinder life than this.

Yours sincerely  
Elissa Walsh
