**INQUIRY INTO USE OF BATTERY CAGES FOR HENS IN
THE EGG PRODUCTION INDUSTRY**

Name: Ms Sarina Damen

Date Received: 19 July 2019

Dear Committee members,

Thank you for the opportunity to provide my views on the use of battery cages in NSW.

We can have eggs without treating animals cruelly. As an important State in a civilized nation, the responsibility falls to you to offer a positive role model in compassion and ethical treatment, not only to humans but to all creatures in Australia's care. Time to show the way NSW.

Thank you for considering my submission. I look forward to seeing decisive action from the NSW Government on this issue.

Kind regards,
Sarina Damen
