**INQUIRY INTO OPERATION AND MANAGEMENT OF
THE NORTHERN BEACHES HOSPITAL**

Name: Name suppressed

Date Received: 28 July 2019

Partially
Confidential

Attention: Committees/Inquiries I have just read the article in Manly Daily saying submissions due today Sunday the deadline. All the material has been lodged with NB hospital (Brad Hazzard letter reced dated 22/03/19 unable to attach). I have been dealing with Jeffrey Woods at the hospital and more recent times with Paula Smith I had an appointment with them both on 20/06/19 and was requested for me to obtain the clinical notes from [redacted] where my uncle was a resident (only a matter of months) on returning via ambulance on the evening of the 27/12/18 for a short period of 32 hours before being returned to hospital this time to RNS and had been transferred to Greenwich hospital where he passed away on 11/02/19. Issue of concern; he should never had been discharged from NB hospital due to an infection and perforated bladder whilst hospitalized, I had been asked to obtain ambulance notes from the time they collected [redacted] from NB hospital until they handed him over to the staff at the facility at [redacted]. I submitted both the facility and ambulance notes, I had been concerned on reading the material the pain suffered by my uncle yet they discharged him from NB hospital when they did. To date I am still waiting on Jeffrey Woods to get back to me after reviewing the information I was asked to submit and still not had a reply since 16/07/19, this matter has been ongoing since January and still not any closer to getting answers. Kind regards, [redacted] Beloved Niece of the deceased. Unable to email as per Manly Daily advertised send to: parliament.nsw.gov.au/committees/inquiries
