NEW SOUTH WALES**

Please protect the only disease free colony of koalas which are at Mount Gilead Campbelltown. Lend lease are too develop this area & if we keep doing this, our wildlife will be extinct. These koalas call this area home, have we the right to destroy their homes. Us humans share this world with so much life, trouble is, we are taking over & our unique wildlife is suffering. Surely this can be stopped. I'm so ashamed of our lack of caring for our wildlife. We are so lucky to have unique koalas etc. please reconsider the need to destroy so much & wipe out these koalas before we have nothing left. Thankyou. 🙏🙏🙏🙏🙏🙏🙏
