**INQUIRY INTO USE OF BATTERY CAGES FOR HENS IN  
THE EGG PRODUCTION INDUSTRY**

Dear Committee members,

Thank you for the opportunity to provide my views on the use of battery cages in NSW.

Animal welfare is very important to me. All animals deserve to be treated with respect, especially those we use to produce our food and fibre.

I'm not vegetarian, am a fisher, but can't abide cruelty to any creatures. Other submissions will give you more details of the impact of the cruelty, especially those from the RSPCA, a charity which I support.

Thank you for considering my submission. I look forward to seeing decisive action from the NSW Government on this issue.

Sincerely,

Carol James
