**INQUIRY INTO USE OF BATTERY CAGES FOR HENS IN  
THE EGG PRODUCTION INDUSTRY**

**Name:** Nadis S  
**Date Received:** 25 July 2019

---

Dear Committee,

Our treatment of chickens in Australia is one of the largest scale examples of cruelty ever known.

People will look back in horror at what we did and at those who allowed this to happen.

Battery cages must go.

Nadia.

Kind regards,  
Nadis S
