

**Submission
No 116**

**INQUIRY INTO KOALA POPULATIONS AND HABITAT IN
NEW SOUTH WALES**

Name: Ms Julie Manfredi Hughes

Date Received: 30 July 2019

To whom it may concern,

The Gilead area should be made a State or National reserve for the protection of Koala populations in the wild. Please do all possible to preserve this region in tact and support the healthy future for our community.
