**INQUIRY INTO KOALA POPULATIONS AND HABITAT IN  
NEW SOUTH WALES**

**Name:** Name suppressed

**Date Received:** 1 August 2019

---

Partially  
Confidential

The koala is a potent symbol of Australia, yet the present NSW Liberal government has not seen fit to protect it. The logging of native bushland and the lack of protected old growth forests only adds to the dire situation of loss of our beloved koala. No amount of money from wood chipping will ever make up for such a loss.

I urge the members of parliament to show wisdom and compassion for both koalas and the future generations of Australians.
