**INQUIRY INTO KOALA POPULATIONS AND HABITAT IN
NEW SOUTH WALES**

Name: Name suppressed

Date Received: 1 August 2019

I am horrified that koalas are being killed, displaced and dying, and driven into extinction by the greed of developers and the unwillingness of the NSW government to stop this from happening.

Deforestation has never been worse than under the current government, and given the appalling rate of extinction and rapid climate change, the NSW government's refusal to act is nothing short of criminal,

We should be preserving habitat and planting trees!

Thank you
