**INQUIRY INTO KOALA POPULATIONS AND HABITAT IN
NEW SOUTH WALES**

Name: Mr Graeme Tychsen

Date Received: 2 August 2019

Dear Committee,

Please accept this letter as my submission to the Inquiry into koala populations and habitat in New South Wales. I consent to the committee making this submission and my name public. Time for action that takes the bull by the horns approach.

We have had environment laws and proclamations for 50 years and now look upon a basket case Murray-Darling. So it is reality time, in the land of greatest biodiversity loss.

Australia is ceasing to be Australia, in real short time, it's that grim.

Yours Sincerely,

Graeme Tyhsen
