

**Submission  
No 8**

**INQUIRY INTO PROPOSAL TO RAISE THE  
WARRAGAMBA DAM WALL**

**Name:** Mrs Jan Touzeau

**Date Received:** 17 August 2019

---

Please don't flood this natural wonder. Short sighted projects such as this, for short term gains, have to stop before it's too late. We're on a path to total destruction of our ecology. I'm sick and tired of the corruption and self serving nature of our politicians.
